## 2025 ELECTED POSITION

In addition to the BEST graduation on December 19th, the results of the elections were announced. We congratulate everyone who ran for a position, and we're looking forward to our new position holders. For secretary, we have Kelly Peleaz as head, and Denise Atariguana as the new assistant. Moving on to treasurers, Karen Chalco, and her assistant Kimberly Marquez. Our Vice President for 2025, is Brigette Siguenza. And finally, as our 2025 President, we have Hannah Sussman. Congratulations to those who won and we look forward to the new year with them.

## HOLIDAY PARTY

Christmas is the time for spreading joy, creating memories with friends and family but most importantly it is about bringing people together. Which is why our Christmas Committee did a spectacular job on hosting our annual Christmas party on December 13 at the Miry Brook Volunteer Fire Station. Many games were played and many friendships were created with the New B.E.S.T Graduates. The theme was gingerbread house as well. Some of the games that were presented at the party were building gingerbread houses, wrapping the advisors as gingerbread people, and an all time favorite the saran ball game where cadets had to unwrap the saran wrap in a certain time frame to get prizes.

DECEMBER 2024

## BEST GRADUATION

On December 19, 2024, the BEST Graduation was held. The program began with 81 prospective Cadets and 21 graduated. At the graduation, parents were given a speech by the F.T.O's, Deputy Chief, and Advisors. Parents were shown a video showing what their kids did throughout their Basic Entry Skill Training. After this each B.E.S.T. kid saluted their F.T.O.[s] and received their certificate. To become a Cadet, B.E.S.T kids completed physical training, learned commands, drill introductions, traffic control, parking instructions, radio use, codes, and the phonetic alphabet. While in B.E.S.T, the kids learned perseverance, integrity, how to work with others, and what it means to be a Cadet.
